

Your Own Why

Once you understand your Why, the How is easy!

... Invest and LIVE YOUR DREAM!

Security	Personal Pride
Financial freedom and independence	Legacy for my family
Choice of lifestyle	Freedom of choice
Quality of life	Change
Job security	I want to pay less tax
Travel where ever I choose	I'm scared of descending into mediocrity
Residual income	Generational change forever
Early retirement	Being successful
My dream car	Support my family
Earn money while I sleep	Retire comfortably
I hate getting up early in the mornings	Give me and my family unlimited options
I hate making other people rich	Debt free
Support my parents	Financial Control of my life
My dream boat	Share in my wealth
Deserted island	Support charities
To play unlimited golf	Our children's education
Our grand children's education	Become a beacon in my community
Take on the hobby I have been putting off	Always stuck in the kitchen → get paid help
Achieve retirement at a time of my choosing	Philanthropy
Own my own aeroplane and or learn to fly	Enjoy life, I only live once
To upgrade my home to our dream home	Peace of mind
Ability to change Christmas forever	More time with my family
I want to travel for as long as I want	Sick and tired of always struggling financially
Do what I say I want to do	Become a stay at home parent
Never have to budget again	Choose a healthy lifestyle
Fun with my family	Minimise future Worries
I want to get out of my job sooner	Personal Achievement
Have the ability to change my next generation and their next generations wealth forever	
Taking financial and physical care of my partner / children	
Make more money from my Portfolio than from my Job	
Property increases in value whether I participate or not	
My ability to buy health, when desperately needed expensive treatment is required to save a life or my life	
Watched my parents work too hard for too long only to have little to nothing at the end of it	

"I will become in control of my own destiny Invest wisely and LIVE my DREAM !!"

"The above boxes ticked are important to my family and I, to which I subscribe working towards in growing & securing wealth through astute property investment."
